

I have been watching Mark Hyman after the Channel 13 local news (just before the national news) in absolute disbelief and total disgust as he does "The Commentary", pure Kerry bashing, without any explanation of whose views he is stating. There is never a balanced view or an alternative view aired. People who are not sophisticated will think it is news. Sinclair should be severely sanctioned for this one sided, INACCURATE reporting.

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

This must be a violation of FCC rules. If it is not, it should be. We are on our way to becoming like nations without true news reporting. We will join the ranks of those nations which we allegedly are trying to "make democratic".

Please help us to regain real news reporting. Please make Sinclair pay heavily for its outrageous manipulation of the airwaves.
